Instructions for using the Bundle of Light

Cleaning:

Use a damp cloth to clean your Bundle of Light. Avoid using harsh chemicals or abrasive materials. Do not submerge the product in water.

Replacing the button cell battery:

1. Use a screwdriver to loosen the screw and open the Bundle of Light's battery compartment.
2. Remove the old battery and replace it with a new one, ensuring the correct orientation.
3. Close the battery compartment securely.
4. Tighten the screw firmly using a screwdriver.

Ensure the battery is properly installed before use. Dispose of the old battery according to local regulations.
